</tbody>
</table>

#### Dominant sevenths (resolving on tonic)

- In the keys of A♭, B♭ and C: 2 oct. separate bows and slurred (4 notes to a bow) even notes
- In the key of G: 3 oct. separate bows and slurred (4 notes to a bow) even notes

#### Diminished sevenths

- Starting on E♭, F and G: 2 oct. separate bows and slurred (4 notes to a bow) even notes
- Starting on D: 3 oct. separate bows and slurred (4 notes to a bow) even notes

#### Chromatic scales

- Starting on E♭, F and G: 2 oct. separate bows and slurred (12 notes to a bow) even notes
- Starting on D: 3 oct. separate bows and slurred (12 notes to a bow) even notes

#### Double-stop scales (in broken steps)

- In sixths, in C and E♭ majors: 1 oct. see p. 12
- In octaves, in G major: 1 oct. see p. 12

### SIGHT-READING

A piece of around sixteen to twenty bars in length, time and key signatures as Grade 6, with the addition of 7/8, 7/4, B and C♯ minors. Highest note B (b") shifts as required to cover this range. Further use of treble clef. Occasional use of left-hand *pizzicato* may be encountered. See also p. 9.

### AURAL TESTS FOR THE GRADE

see pp. 68 and 72
Aural Tests GRADE 7

A  To sing or play from memory the lower part of a two-part phrase played twice by the examiner. The lower part will be within the range of an octave, in a major or minor key with up to three sharps or flats. First the examiner will play the key-chord and the starting note and then count in two bars. (If the candidate chooses to play, the examiner will also name the key-chord and the starting note, as appropriate for the instrument.) If necessary, the examiner will play the phrase again and allow a second attempt (although this will affect the assessment).

B  To sing the upper part of a two-part phrase from score, with the lower part played by the examiner. The candidate may choose to sing from treble or bass clef. The upper part will be within the range of an octave, in a major or minor key with up to four sharps or flats. First the examiner will name and play the key-chord and the starting note and then give the pulse. A brief period of preparation will follow during which the candidate may sing out loud. The examiner will play the key-chord and the starting note again and then count in two bars. If necessary, the examiner will allow a second attempt (although this will affect the assessment).

C (i) To identify the cadence at the end of a phrase as perfect, imperfect or interrupted. The phrase will be in a major or minor key and will be played twice by the examiner. The chords forming the cadence will be in root position. Before the first playing, the examiner will play the key-chord.

(ii) To identify the two chords forming the above cadence. The chords will be limited to the tonic, subdominant, dominant, dominant seventh or submediant (all in root position). First the examiner will name and play the key-chord, then play the two chords as a pair. The candidate may answer using technical names (tonic, dominant, etc.), chord numbers (I, V, etc.) or letter names (C major, G major, etc.).

(iii) To identify whether the modulation at the end of a different passage is to the dominant, subdominant or relative minor. The passage, played once by the examiner, will begin in a major key. First the examiner will name and play the starting key-chord. The candidate may answer using technical names (dominant, subdominant, relative minor) or the letter name of the new key.

D (i) To answer questions about two features of a piece played by the examiner. Before playing, the examiner will tell the candidate which two of the following features the questions will be about: dynamics, articulation, tempo, tonality, character, style and period, texture, structure.

(ii) To clap the rhythm of the notes in an extract from the same piece, and to identify whether it is in two time, three time, four time or 6/8 time. The examiner will play the extract twice (unharmonized), after which the candidate should clap back the rhythm. The examiner will then ask whether the music is in two time, three time, four time or 6/8 time.
